

NEV Poster prize

Each year, starting in 2014, the Dutch Entomological Society (NEV) awards the best poster presented during the 'Nederlandse Entomologendag', the largest Annual Meeting of the NEV.

The Poster prize consists of 100 euro and a certificate, and will be presented by the Chairperson of the Poster prize Jury. This Jury consists of two or three members.

To be considered for the prize, the first author of the poster must be present in person during the ceremony during the Annual Meeting.

The criteria for the poster prize are:

- 1-The entomological character of the study that is presented.
- 2-The scientific quality of the study and the results
- 3-The design of the poster
